A man with dreams,

A bag full of hope,

Carrying the weight of a family,

Not knowing what life is;

Emptiness meets him midway,

Frustrates him in the end,

He googles life: what is it?

Highs and lows, it says,

Indeed, a rollercoaster!

Let it pass – life is good!

Kudos to the poet;

Let me introduce the artist:

None other than me –

From nothing – to everything.

Now a poet,

Paultus is the name,

Quest for life filled in me,

Rebirth embellished me,

Serenity glanced inward,

Bestowed a life of goodness.

Through all of it, I say – be kind.

Vice-versa: don't be violent.

For what is life in the end?

Find X – Find *You*;

Above all, Life is a *Zebra*.
